

My country, Romania

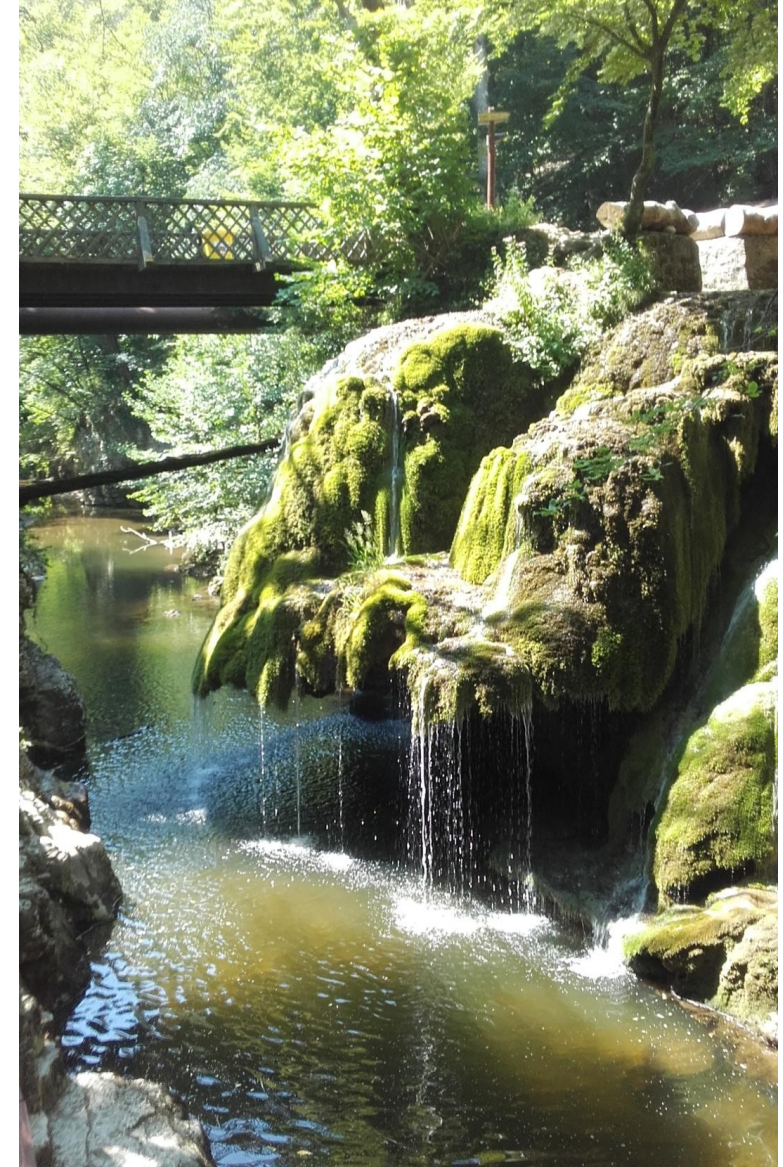

WHITE CAROLINA FORTRESS

It is a building built to defend the Habsburging Empire.

BIGAR WATERFALL

Nature built this beautiful waterfall. This is one of the most beautiful waterfalls. This waterfall can be seen in Romania at Caraș-Severin.

THE INFINITY COLUMN

The Infinity Column is a monument in Romania that is located in the city of Târgu Jiu. It was built by the great artist Constantin Brâncuși.

SFINX

This natural stone monument of Romania is named this way because it resembles the Egyptian Sphinx.

NICOLAE CEAUSESCU

Nicolae Ceaușescu was a controversial leader in Romania during communism. Before being the leader of Romania, he was the general secretary of the Romanian Communist Party and then he became the head of state.
