Volunteering at the Primary School named after Sebastian Fabian Klonowicz in Sulmierzyce

The Great Orchestra of Christmas Charity

It is the biggest, non-governmental, non-profit, charity organization in Poland. It is a one-day public charitable fundraiser, which traditionally takes place on the second Sunday of January.

The main goal is to support Polish children's hospitals by the purchase of modern medical equipment. The funds are being raised during a public money collection, in online auctions, and personal and corporate donations.

Volunteers, carrying branded collection boxes collect money across the country, and people donating money receive distinct red-heart stickers in return.

Our teachers counting
money

Our school takes part in the Great Orchestra of Christmas Charity from the beginning - that is 27 years. Each year the students collect money in the streets of the city. In January this year was the 27th final. The fundraising started from early morning . In the evening in Sulmierzyce there were musical and performances, auctions and a firework display - known as Light to the Sky

THE SCHOOL VOLUNTARY ORGANIZATION

The school voluntary organization at the primary school named after Sebastian Fabian Klonowicz in Sulmierzyce was established on the 5th of December 2017.

The school voluntary is a selfless interest of the school community - Teachers, students and parents - for those who need help and support.

The students benefit in every aspect of their lives by helping others.

Voluntary gives a chance to look for an authority and helps create and develop a moral value system.

The school voluntary organization is an initiative of young people made of young people who are willing to help and actively participate in needs of their school and local environment by supporting them.

WE SUPPORT ANIMALS

The students from our school have organised collecting food for animals. This event is called "Lovely Pets We Collect Snacks For You". Everyone who took part in this charity could bring to the school food, snacks, toys or blankets for dogs and cats from the animal shelter in Krotoszyn. After two weeks we could gather more than forty kilograms of pet food, a lot of packet of snack, nine toys and a few blankets. The animals from the shelter were really happy.
